

FOR IMMEDIATE RELEASE

Growing the game of golf in Kapuskasing

(KAPUSKASING, April 20, 2015) – The Kapuskasing Golf Club is launching a one (1) year membership pilot project. The goal of the project is to grow and solidify key segments of its membership base. Membership options now include a reduced rate structure for first time and returning members, young professionals, juniors and families. Current members will also have the opportunity to receive up to 30% off their annual membership if they attract first time members.

“Golf is a fun sport, it’s also a healthy activity for the entire family”, said executive and long-time member André Robichaud. “The great game is inclusive and promotes fellowship, respect and many other life lessons.”

Part of growing game for the future will also include more Family Days, as well as adding more Couples Nights and Junior Days this upcoming season. “The launch of Family Days in 2014 was well received by all participants” said Pro/Manager David Guay. “More than 100 golfers participated in the new event, and we look forward to building on the success this upcoming season”.

The opening date is slated for Saturday, May 9th, along with the first Ladies Night on May 12th and Men’s Night on May 13th. All membership information can be found at kapgolfclub.ca, by visiting the Facebook page or in person at the golf club.
