POWER CART PARKING WAIT LIST

In 2021, the Kapuskasing Golf Club (KGC) Executive changed the Cart Owner's Policy, whereas members no longer had to submit in writing their willingness to be added to the power cart parking list. Members who do not have a power cart and/or paid a tracking fee may still inform the Club Manager of their willingness to be added to the list.

Section 7 of the Policy now states: *Payment of tracking fee automatically puts your name/cart on the parking spot waiting list. Until space is allocated carts may be stored in the storage building middle aisle at the discretion of the Club Manager. Upon availability of a parking space in the storage building, the Club Manager will notify the member whose name is first on the waiting list. The said cart owner must use the parking spot. The cart owner shall not keep the spot empty and/or allow other cart owners to park in the spot. [View Policy](#)*

Date	Customer	Notes
From 2020	Yves Dufresne	In P.Goulet's spot medical (2022 Season)
From 2020	Shaun Carrière	Parking spot in 2022
