#### INDEPENDENT PRACTITIONER'S REVIEW ENGAGEMENT REPORT

To the board of directors of Kapuskasing Golf Club

We have reviewed the accompanying financial statements of Kapuskasing Golf Club that comprise the statement of financial position as at December 31, 2022 and the statements of operations and accumulated surplus and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

### Basis for Qualified Conclusion

Under Canadian accounting standards for not-for-profit organizations, the organization is required to capitalize its property and equipment and amortize it over its useful life. As described in note 2, property and equipment, except for those financed by loan or through a capital lease, are charged to current operations in the year they are purchased. Also, property and equipment is amortized annually by an amount equal to the principal reduction in the related long-term debt or capital lease, instead of over its useful life. We have not determined the extent of adjustments which might be necessary to revenues and expenses, surplus (deficit) for the year or the accumulated surplus as a result of this departure from Canadian accounting standards for not-for-profit organizations.

### INDEPENDENT PRACTITIONER'S REVIEW ENGAGEMENT REPORT, (CONT'D)

Qualified Conclusion

Based on our review, except for the effects of the matter described in the Basis for Qualified Conclusion paragraph, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of Kapuskasing Golf Club as at December 31, 2022, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

#### NOTES TO FINANCIAL STATEMENTS

#### **DECEMBER 31, 2022**

#### 1. STATUS AND NATURE OF OPERATIONS

Kapuskasing Golf Club is a non-profit organization incorporated under the Ontario Corporations Act for the purpose of providing recreational golfing facilities for its members.

#### 2. SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with Canadian accounting standards for notfor-profit organizations. The significant accounting policies are detailed as follows:

#### ACCRUAL BASIS OF ACCOUNTING

Revenue and expenses are recorded on the accrual basis of accounting under which they are recorded in the financial statements in the period they are earned or incurred respectively, whether or not such transactions have been settled by the receipt or payment of money

#### REVENUE RECOGNITION

Membership revenues, cart tracking fees and locker rentals are recorded at the time a member requests a membership and signs a membership agreement.

Green fees, cart rentals and tournament revenues are recorded when an individual utilizes the facilities or when the services are provided.

Pro shop sales, bar sales and restaurant sales are recorded as the product is provided to customers and recorded in the point-of-sale system.

Government assistance is recognized as revenue in the year in which the related expenses are incurred if the amount to be received can be reasonably estimated and collection is reasonably assured.

Other revenues are recorded when received.

#### **INVENTORY**

Inventories consists of bar and restaurant inventory, course fertilizers and pro shop supplies. Bar, restaurant and pro shop supplies are measured at the lower of cost and net realizable value. Course fertilizers are measured at cost and represent a pre-purchase of fertilizer for the next season.

### PROPERTY AND EQUIPMENT

Property and equipment, except for those financed by long-term debt or through a capital lease obligation, are charged to current operations in the year they are purchased and reported as capital expenditures on the statement of operations.

#### NOTES TO FINANCIAL STATEMENTS

#### **DECEMBER 31, 2022**

#### 2. SIGNIFICANT ACCOUNTING POLICIES, (CONT'D)

### PROPERTY AND EQUIPMENT, (CONT'D)

Property and equipment financed by long-term debt or financed through a capital lease obligation are recorded at cost and amortized annually by an amount equal to the principal reduction in the related long-term debt or capital lease obligation. These are reported as principal repayments on long-term debt / capital lease obligation (amortization) under the Schedule of Debt Charges.

#### FINANCIAL INSTRUMENTS

### Measurement of financial instruments

The organization initially measures its financial assets and financial liabilities at fair value adjusted by, in the case of a financial instrument that will not be measured subsequently at fair value, the amount of transaction costs directly attributable to the instrument. Amounts due to and from related parties are measured at the exchange amount, being the amount agreed upon by the related parties.

The organization subsequently measures its financial assets and financial liabilities at amortized cost, except for derivatives and equity securities quoted in an active market, which are subsequently measured at fair value. Changes in fair value are recognized in the statement of operations.

Financial instruments measured at amortized cost include cash, term deposits, accounts receivable, accounts payable and accrued liabilities and capital lease obligation payable. There are no financial instruments measured at fair value.

#### *Impairment*

Financial assets measured at amortized cost are tested for impairment at the end of each year to determine whether there are indicators that the assets may be impaired. The amount of identified impairment, if any, is recorded as a write-down and recognized in the statement of operations. Any previously recognized impairment loss may be reversed to the extent of the improvement, provided it is no greater than the amount that had been previously reported as a reduction in the asset and it does not exceed original cost.

#### MEASUREMENT UNCERTAINTY

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Significant areas requiring the use of estimates include: inventory obsolescence and accrued liabilities. Actual results may differ from management's best estimates as additional information becomes available in the future.

|--|-------|---------|---------------|
| Capital lease payable in 6 monthly payments of \$6,490 from May to October, bearing interest at 5.5%, due in October 2024, |       |         |               |
| secured by equipment with and net book value of \$70,059   | \$    | 70,059  | \$<br>103,951 |
| Current portion  |       | 35,803  | 33,892        |
|  | \$    | 34,256  | \$<br>70,059  |
| The lease payments to be paid over the next two fiscal years are as  | follo | ws:     |               |
| 2023   | \$    | 38,940  |               |
| 2024   |       | 38,940  |               |
|  |       | 77,880  |               |
| Interest   |       | (7,821) |               |
|  | \$    | 70,059  |               |

### 8. FINANCIAL INSTRUMENTS RISKS AND UNCERTAINTIES

The organization is exposed to various financial risks through transactions in financial instruments. The following provides information in assessing the extent of the organization's exposure to these risks.

#### **CREDIT RISK**

Credit risk is the risk that one party to a transaction will fail to discharge an obligation and cause the other party to incur a financial loss. In the opinion of management the credit risk exposure to the organization is low and not material.

#### LIQUIDITY RISK

Liquidity risk is the risk that the organization cannot repay its obligations when they become due to its creditors. The organization reduces its exposure to liquidity risk by ensuring that it documents when authorized payments become due; maintains an adequate line of credit to repay trade creditors and repays long term debt interest and principal as they become due. In the opinion of management the liquidity risk exposure to the organization is low and not material.
