HANDICAP ROUNDS

January 8 – 17

We encourage all golfers to play during this period to establish an accurate handicap. Accurate handicaps are critical to the success and competitiveness of the league.

A few golfers still do not have handicaps and/or some do not have accurate handicaps.

A Trackman handicap is required to join the league. At least 2 x 9 holes (must select 9 holes before teeing off) or 1 x 18 holes (without a pickup or mulligan) will get you a Trackman handicap. An additional 10 days will be added to establish your handicap and/or to establish a more accurate handicap.
