2025 ANNUAL GENERAL MEETING PRESIDENT'S ADDRESS

2025 was another outstanding year for the Kapuskasing Golf Club. Despite a rainy, cold, and damp start to the season that lasted until mid-July, we were fortunate to enjoy excellent weather throughout the remainder of the summer and into the fall. This led to a busy and successful season, with high participation across all tournaments and events. Many of our competitions were fully booked—some even months in advance—which speaks to the continued enthusiasm and engagement among our members and guests.

This season also saw a significant transition within our staffing team. We welcomed several new employees, many of whom are expected to play important roles over the next several years. In addition, three new Executive members joined the Board this year. Each brought valuable insight, energy, and complementary skills that strengthened our existing team. Together, our staff and Executive form a dedicated group that continues to move the Club forward.

Throughout 2025, we completed several key projects both on and off the course, with more planned for the coming season. Details on these initiatives—as well as updates on membership numbers, financial results, and rounds played—will be presented in the reports to follow during this AGM.

Looking ahead, we remain eager to welcome new Executive members who are ready to contribute to the Club's ongoing success and decision-making process. On behalf of the 2025 Executive, I extend heartfelt thanks to all our staff and volunteers. Your hard work and commitment are the foundation of the Club's continued health and success.

I would also like to express my sincere appreciation to Cory, Nancy, Johanne, Denis, Jamie, and Chris for their support throughout the year. It has been a pleasure working alongside such a dedicated team.

As we look toward the 2026 season, I am excited to continue in my role as President and to see our members once again enjoying this great game and our beautiful course.

Luc St-Aubin
President
